**SECTION A - GENERAL PROVISIONS**

**1. BID INVITATION**

See "Definitions".

**2. PROPOSAL FORMS**

The invitation to bid shall contain pre-printed forms for use by the vendor in submitting its bid. The forms shall contain basic information such as description of the item and the estimated quantities and shall have blank spaces for use by the vendor for entering information such as unit bid price, total bid price, etc.

**3. INTERPRETATION OF ESTIMATES**

The attention of bidders is called to the fact that, unless stated otherwise, any quantities given in the proposal form are to be considered to be approximate only and are given as a basis for the comparison of bids. The Agency may increase or decrease the amount of any item as may be deemed necessary or expedient, during the period of the contract.

An increase or decrease in the quantity for any item is not sufficient ground for an increase or decrease in the unit price.

**4. SILENCE OF SPECIFICATIONS**

The apparent silence of the specifications as to any detail, or the apparent omission from it of detailed description concerning any point, shall be regarded as meaning that only the best commercial practice is to prevail and only material and workmanship of the first quality are to be used. Proof of specifications compliance will be the responsibility of the vendor.

**5. EXAMINATION OF SPECIFICATIONS AND PROVISIONS**

The bidder shall examine carefully the proposal and the contract forms for the material contemplated. The bidder shall investigate and satisfy itself as to the conditions to be encountered, quality and quantities of the material to be furnished, and the requirements of the Special Provisions and the contract. **7. PRICES QUOTED**

The prices quoted are those for which the material will be furnished F.O.B. Ordering Agency and include all charges that may be imposed during the period of the contract.

**All prices must be quoted in U.S. Dollars.**

**9. SAMPLES OR BROCHURES**

Samples or brochures may be required by the agency for evaluation purposes. They shall be such as to permit the Agency to compare and determine if the item offered complies with the intent of the specifications.

**10. PROPOSAL GUARANTY; BID BOND**

**Unless waived**, each bidder shall submit with its proposal a guaranty in sum equal to at least 10% of the total value of its bid, according to Delaware Code Title 29, Section 6927(a).

The bidder shall include with this designation a statement that explains and supports the firm's claim that the bid items identified as confidential contain trade secrets or other proprietary data.

**15. DISQUALIFICATION OF BIDDERS**

**16. ADDENDA TO THE INVITATION TO BID (ITB)**

If it becomes necessary to revise any part of this ITB, revisions will be posted at <http://bids.delaware.gov/> . The selected vendor will warrant that no person or selling agency has been employed or retained to solicit or secure a contract resulting from this ITB upon agreement or understanding for a commission, or a percentage, brokerage or contingent fee. For breach or violation of this warranty, the State of Delaware shall have the right to annul any contract resulting from this ITB without liability or at its discretion deduct from the contract price or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

**18. SOLICITATION OF STATE EMPLOYEES**

Until contract award, vendors shall not, directly or indirectly, solicit any employee of the State of Delaware to leave the State of Delaware's employ in order to accept employment with the vendor, its affiliates, actual or prospective contractors, or any person acting in concert with vendor, without prior written approval of the State of Delaware's contracting officer. Solicitation of State of Delaware employees by a vendor may result in rejection of the vendor's proposal.

This paragraph does not prevent the employment by a vendor of a State of Delaware employee who has initiated contact with the vendor. However, State of Delaware employees may be legally prohibited from accepting employment with the contractor or subcontractor under certain circumstances. Vendors may not knowingly employ a person who cannot legally accept employment under state or federal law. If a vendor discovers that they have done so, they must terminate that employment immediately.

**19. INDEPENDENT CONTRACTORS**

The parties to the contract shall be independent contractors to one another, and nothing herein shall be deemed to cause this agreement to create an agency, partnership, joint venture or employment relationship between parties. Each party shall be responsible for compliance with all applicable workers compensation, unemployment, disability insurance, social security withholding and all other similar matters. Neither party shall be liable for any debts, accounts, obligations or other liability whatsoever of the other party or any other obligation of the other party to pay on the behalf of its employees or to withhold from any compensation paid to such employees any social benefits, workers compensation insurance premiums or any income or other similar taxes.

It may be at the State of Delaware's discretion as to the location of work for the contractual support personnel during the project period.

**20. TEMPORARY PERSONNEL ARE NOT STATE EMPLOYEES UNLESS AND UNTIL THEY ARE DIRECTLY HIRED**

Vendor agrees that any individual or group of temporary staff person(s) provided to the State of Delaware pursuant to this Solicitation shall remain the employee(s) of Vendor for all purposes including any required compliance with the Affordable Care Act by the Vendor. Vendor agrees that it shall not allege, argue, or take any position that individual temporary staff person(s) provided to the State pursuant to this Solicitation must be provided any benefits, including any healthcare benefits by the State of Delaware and Vendor agrees to assume the total and complete responsibility for the provision of any healthcare benefits required by the Affordable Care Act to aforesaid individual temporary staff person(s). In the event that the Internal Revenue Service, or any other third party governmental entity determines that the State of Delaware is a dual employer or the sole employer of any individual temporary staff person(s) provided to the State of Delaware pursuant to this Solicitation, Vendor agrees to hold harmless, indemnify, and defend the State to the maximum extent of any liability to the State arising out of such determinations.

Notwithstanding the content of the preceding paragraph, should the State of Delaware subsequently directly hire any individual temporary staff employee(s) provided pursuant to this Solicitation, the aforementioned obligations to hold harmless, indemnify, and defend the State of Delaware shall cease and terminate for the period following the date of hire. Nothing herein shall be deemed to terminate the Vendor's obligation to hold harmless, indemnify, and defend the State of Delaware for any liability that arises out of compliance with the ACA prior to the date of hire by the State of Delaware. Vendor will waive any separation fee provided an employee works for both the vendor and hiring agency, continuously, for a three (3) month period and is

**52. VENDOR EMERGENCY RESPONSE POINT OF CONTACT**

The awarded vendor(s) shall provide the name(s), telephone, or cell phone number(s) of those individuals who can be contacted twenty four (24) hours a day, seven (7) days a week where there is a critical need for commodities or services when the Governor of the State of Delaware declares a state of emergency under the Delaware Emergency Operations Plan or in the event of a local emergency or disaster where a state governmental entity requires the services of the vendor. Failure to provide this information could render the proposal as non-responsive.

In the event of a serious emergency, pandemic or disaster outside the control of the State, the State may negotiate, as may be authorized by law, emergency performance from the Contractor to address the immediate needs of the State, even if not contemplated under the original Contract or procurement. Payments are subject to appropriation and other payment terms.

**54. AGENCY'S RESPONSIBILITIES**

The Agency shall:

- a. Examine and review in detail all letters, reports, drawings and other documents presented by the Vendor to the Agency and render to the Vendor in writing, findings and decisions pertaining thereto within a reasonable time so as not to delay the services of Vendor.
- b. Give prompt written notice to the Contractor whenever the Agency observes or otherwise becomes aware of any development that affects the scope or timing of the Contractor's services.
- c. When an ordering agency first experiences a relatively minor problem or difficulty with a vendor, the agency will contact the vendor directly and attempt to informally resolve the problem. This includes failure to perform by the date specified and any unacceptable difference(s) between the purchase order and the merchandise received. Ordering agencies should stress to vendors that they should expedite correction of the differences because failure to reply may result in an unfavorable rating in the execution of the awarded contract.
- d. The state has several remedies available to resolve non-performance issues with the contractor. The Agency should refer to the Contract Terms and Conditions to view these remedies. When a default occurs, the Agency should first review the contract to confirm that the issue is a part of the contract.

STATE OF DELAWARE  
Office of Management and Budget  
Government Support Services

If the issue is not covered by the contract, the state cannot expect the contractor to perform outside the agreement. If the issue is a part of the contract, the Agency or GSS - Contracting must then contact the contractor, discuss the reasons surrounding the default and establish a date when the contractor will resolve the non-performance issue.

- e. If there is a performance deficiency, a Corrective Action Report (CAR) may be used. Complete this form to report concerns with vendors or commodities. Be sure to furnish as much detail as possible. <http://gss.omb.delaware.gov/divisionwide/forms.shtml>.

There shall be no disclosure of any vendor's information to a competing vendor prior to award of the contract unless such disclosure is required by law or by order of a court of competent jurisdiction.

The State of Delaware and its constituent agencies are required to comply with the State of Delaware Freedom of Information Act, [29 Del. C. § 10001, et seq. \("FOIA"\)](#). FOIA requires that the State of Delaware's records are public records (unless otherwise declared by FOIA or other law to be exempt from disclosure) and are subject to inspection and copying by any person upon a written request. Once a proposal is received by the State of Delaware and a decision on contract award is made, the content of selected and non-selected vendor proposals will likely become subject to FOIA's public disclosure obligations.

The State of Delaware wishes to create a business-friendly environment and procurement process. As such, the State respects the vendor community's desire to protect its intellectual property, trade secrets, and confidential business information (collectively referred to herein as "confidential business information"). Proposals must contain sufficient information to be evaluated. If a vendor feels that they cannot submit their proposal without including confidential business information, they must adhere to the following procedure or their proposal may be deemed unresponsive, may not be recommended for selection, and any applicable protection for the vendor's confidential business information may be lost.

In order to allow the State to assess its ability to protect a vendor's confidential business information, vendors will be permitted to designate appropriate portions of their proposal as confidential business information.

Vendor(s) may submit portions of a proposal considered to be confidential business information in a separate, sealed envelope labeled "Confidential Business Information" and include the specific RFP number. The envelope must contain a letter from the Vendor's legal counsel describing the documents in the envelope, representing in good faith that the information in each document is not "public record" as defined by 29 Del. C. § 10002, and briefly stating the reasons that each document meets the said definitions.

Upon receipt of a proposal accompanied by such a separate, sealed envelope, the State of Delaware will open the envelope to determine whether the procedure described above has been followed. A vendor's allegation as to its confidential business information shall not be binding on the State. The State shall independently determine the validity of any vendor designation as set forth in this section. Any vendor submitting a proposal or using the procedures discussed herein expressly accepts the State's absolute

STATE OF DELAWARE

right and duty to independently assess the legal and factual validity of any information designated as confidential business information. Accordingly, Vendor(s) assume the risk that confidential business information included within a proposal may enter the public domain.

**56. PRICE NOT CONFIDENTIAL**

Vendors shall be advised that as a publically bid contract, no Vendor shall retain the right to declare their pricing confidential.

**57. NO PRESS RELEASES OR PUBLIC DISCLOSURE**

The State of Delaware reserves the right to pre-approve any news or broadcast advertising releases concerning this solicitation, the resulting contract, the work performed, or any reference to the State of Delaware with regard to any project or contract performance. Any such news or advertising releases pertaining to this solicitation or resulting contract shall require the prior express written permission of the State of Delaware.

The State will not prohibit or otherwise prevent the awarded vendor(s) from direct marketing to the State of Delaware agencies, departments, municipalities, and/or any other political subdivisions, however, the Vendor shall not use the State's seal or imply preference for the solution or goods provided.

**58. OPTIONAL TEMPORARY TAGS**

When requested by individual agencies on their purchase order, each vehicle must be delivered with a minimum twenty (20) day temporary tag, the cost of which may be charged to the ordering agency.

The next line of the title shall be "c/o" followed by the name of the department, school or higher education entity with the appropriate corresponding mailing address listed thereafter.

Any titling questions may be referred to the DSP Fleet Manager or other appropriate contact as necessary.

**63. VEHICLE WARRANTY**

Bidders are encouraged to submit their best OEM Warranties at no additional cost to the State. The length of the OEM warranty will be a factor in determining the lowest overall price to the State. NOTE: The bidding vendor will have sole responsibility for all warranty issues, including the coordination of repairs for vehicle conversions such as, but not limited to, supplemental cooling systems, body defects, electrical problems, dump or utility bodies, lighting systems, etc. It is to be understood the State will not coordinate a warranty repair that involves multiple parties such as a supplemental equipment provider, an installer/converter and the vehicle manufacturer/supplier. The awarded bidder will be the sole contact and coordinator of warranty repairs and service.

**64. DEALER SERVICE BULLETINS**

Minimum of one (1) copy each bulletin already published applicable to the model year motorcycle must be furnished before the time of delivery of the first new vehicle. Delaware State Police is to be placed on the mailing list to receive one (1) copy minimum of dealer service bulletins each time it is published. **66. SERVICE MANUALS**

The awarded vendor(s) shall be required to furnish a minimum of two (2) service manuals and/or CD's (including emissions, electronics, and Electrical/Vacuum Trouble Shooting Manual) to the Delaware State Police (DSP) Fleet Manager. The delivery of the manuals shall coincide with the delivery of the first vehicle ordered through this contract.

STATE OF DELAWARE  
Office of Management and Budget

If manuals are not available from the manufacturer, or are on production back order, the awarded vendor(s) is required to communicate any delays to the ordering agency and identify an action plan for meeting this requirement moving forward.

Additionally, the awarded vendor(s) shall make available all electronic maintenance, parts and inventory manuals available electronically and/or on-line to all agencies on an "as requested" basis at no additional cost to the State or ordering agencies.

If the awarded vendor(s) can supply manuals and support documentation electronically and/or on-line, the State may waive the minimum two (2) copies requested. Individual vendor requests to waive this requirement are to be directed to the DSP Fleet Manager.

**67. BROCHURES**

Sales literature, ordering information and color charts shall be made available to agencies on an "as requested" basis at no additional charge.

**68. MODEL YEAR ROLL-OVER**

The State of Delaware will consider any request for a contract roll-over to the next model year after the passing of the vehicle manufacturer's final production cut-off date, at the same contract pricing, specifications, terms and conditions or better. By submitting a bid to this contract, if awarded, the vendor shall work with the vehicle manufacturer to obtain contract roll-over pricing for the remainder of the original contract term.

If vendor is unable to secure the requested contract roll-over pricing for the remainder of the original contract term, the vendor shall notify the State Contract Officer in writing and provide the vehicle manufacturer contact name, title of the contact, and the contact telephone number. The State reserves the right, at its discretion, to independently confirm a vehicle manufacturer's decision to deny contract roll-over pricing.
